THE GLAD STUDY

WANTS YOU!

***When filling in the questionnaires please:

- SELECT that you have heard about the study through an NHS Trust, AND
- SELECT Berkshire Healthcare NHS Foundation Trust

Ever wondered **why** some people become **mentally ill** and others don't?

We are looking for people with **no experience** or diagnoses of mental health disorders, to be part of our study.

You can be part of a **comparison group** to help us better understand **why** anxiety and depression **develop for some but not others.**

WE HOPE 10,000 PEOPLE WILL TAKE PART!
